Summary:

After being enslaved on the spaceship *Extarga* for most of her life Analia has no memory of her life before, and has lost all knowledge of her people. Her mysterious gift and pointed ears are the only indication that she is different.

Analia is alone, and for all she knows, she's the last of her kind. By chance Analia escapes her captors, and hides herself on the merchant ship *Marada*, planning to get off at the very next stop. Unfortunately for her, there is no next stop. The crew is planning a delivery that could take months, and according to a stipulation in the newly signed contract, no one is allowed on or off the ship until the package is delivered.

When Analia is found by the captain of *Marada*, she must adapt to her new role on the ship, and try to control her newly awakened desire for the brutal and devastatingly erotic demon.

Praise:

"Demon Possession was a FANTASTIC read! This book will draw you in from beginning to end. The characters are well developed and the story line is wonderful! The chemistry between Analia and Sebastian is undeniably sexy. I couldn't put this book down and when I had to go to work all I could think about is how I couldn't wait to come home and finish it." *~ Boekie's Reviews*

"Finally! A new premise! I really enjoyed this book. It pulls at the imagination and makes you wonder, what if…?" *~ Shauni — Bodice Rippers*

"I haven't read a good science fiction fantasy; Demon Possession was a great debut novel. Kiersten Fay is an author that everyone should be watching out for." ~ Seeing Night Reviews
