Summary:

Marik Radkov believed the only thing left from his tortured past was the physical scars that adorned his body. But when he is stranded on a foreign planet, and held captive by an enticing blue eyed stranger, he is forced to face his past once more. To survive, he must subdue his lust, while keeping the mysterious and sexy woman from snaring his heart.

After escaping a violent assault of her home planet, Princess Nadua has been hiding on the cold planet Undewla for four hundred years, all but losing hope that her people will return for her. When the threat of a rebellion arises, Nadua must decide if she can trust the ruthless demon who strokes a desire she thought was long dead.

Praise:

"Kiersten Fay has a way with creating female characters who are both vulnerable yet deeply powerful individuals. Her women are whole, strong and competent, and as a female reader I appreciate this! Her setting and character descriptions are rich and powerful, drawing you deeply into another universe." *~ Candice Bundy, UF Author*

"Oh the stories I am sure Ms. Fey has lined up for us. I can already see them and can't wait to see how she weaves them together. Savor Demon Slave... it is a delight to the senses..."
~ Shauni — Bodice Rippers

"Another five stars for Kiersten Fay! I love Marik and Nadua's story! Hot demons, damsels in distress and detailed world-building, quickly makes this series addicting." *~Tish Thawer, NA Author*

"As always with Fay she knows how to steam up the pages with her character, while also creating an intriguing plot that keeps you on your toes." ~ Seeing Night Reviews
